BUSINESS WEEK Ranks S3 19th on list of Top 100 IT Companies

In its annual Info Tech 100
Report, Business Week has
ranked S3 as the 19th best-performing
information technology company in the
world based on revenues, revenue
growth, return on equity and
shareholder return. Characterized by
Business Week as having "wisely
shifted" its focus to developing
consumer-electronics products, S3
clearly matched Business Week's
assertion that IT companies that
"envisioned the new style of
